

Lab 1: Getting Started with the Fabric Data Agent Tutorial

Pre-requisites

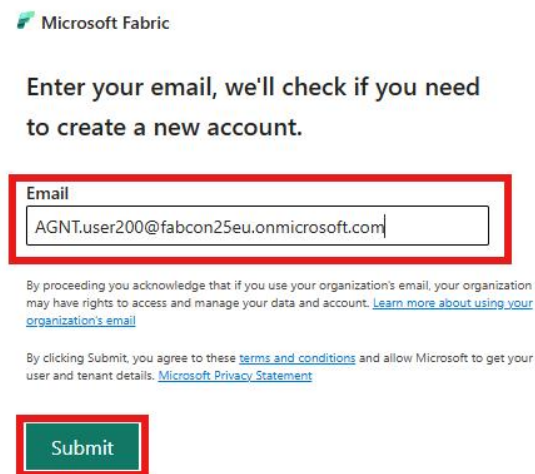

1. You should have received a slip that includes username and password. If you have not, please raise your hand, and a proctor will get you one shortly.
2. If you have not yet please download all the required content from:
<https://aka.ms/fabcone25-dataagent-tutorial>

Learning Objectives

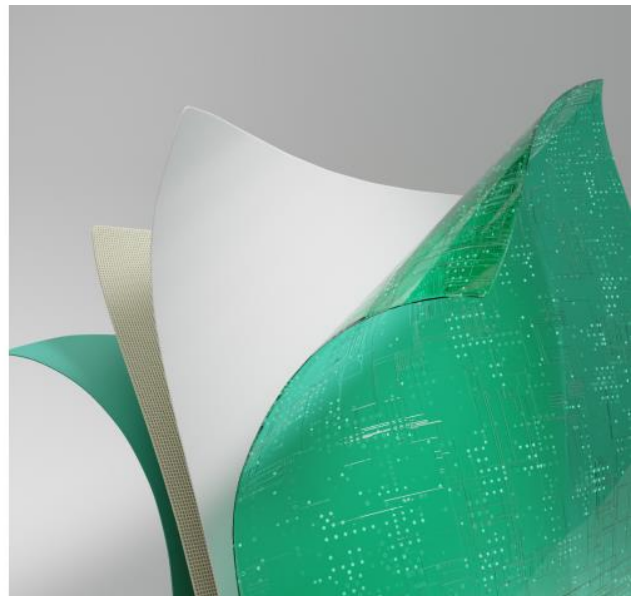

1. Log into your Fabric Account
2. Familiarize yourself with the Fabric Workspace

Step 1: Log into your Fabric Account and Open your Workspace

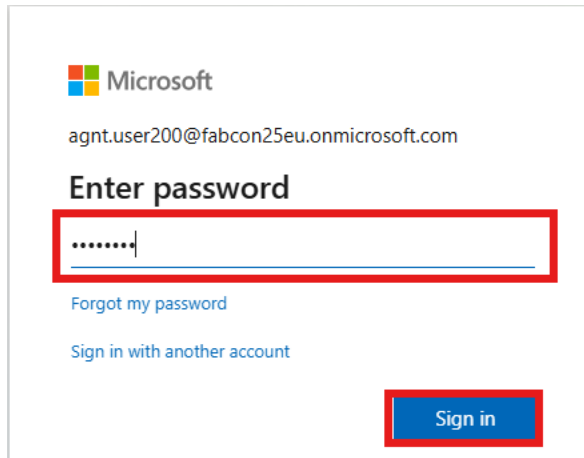

1. Go to [Microsoft Fabric](#), input the username from your slip and hit submit:

The screenshot shows the Microsoft Fabric login interface. At the top, the Microsoft Fabric logo is displayed. Below it, a message reads: "Enter your email, we'll check if you need to create a new account." There is a text input field labeled "Email" containing the email address "AGNT.user200@fabcon25eu.onmicrosoft.com". Below the input field, there is a line of text: "By proceeding you acknowledge that if you use your organization's email, your organization may have rights to access and manage your data and account. [Learn more about using your organization's email](#)". Below this, another line of text states: "By clicking Submit, you agree to these [terms and conditions](#) and allow Microsoft to get your user and tenant details. [Microsoft Privacy Statement](#)". At the bottom, there is a green "Submit" button.

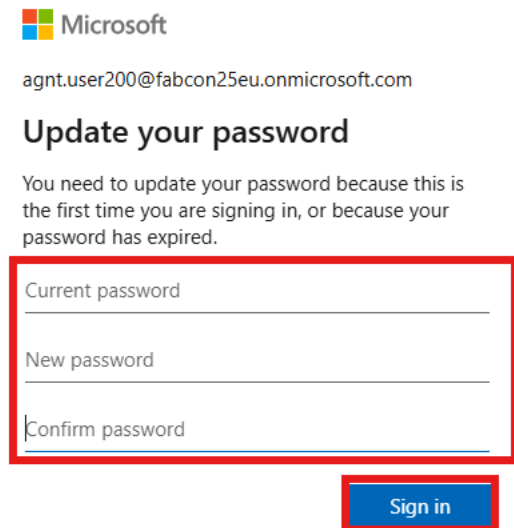

2. Enter the password and click 'Sign in'

The image shows a Microsoft sign-in page. At the top is the Microsoft logo. Below it is the email address 'agnt.user200@fabcon25eu.onmicrosoft.com'. The heading 'Enter password' is followed by a password input field containing seven dots. Below the field are two links: 'Forgot my password' and 'Sign in with another account'. At the bottom right is a blue 'Sign in' button. A red rectangular box highlights the password input field and the 'Sign in' button.

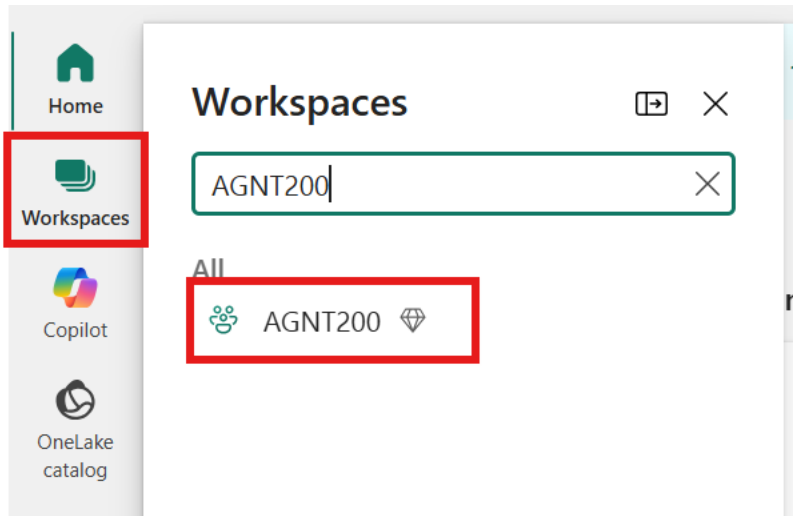

3. Input your old password and new password. Then hit "Sign in" (Please DO NOT forget this password for the rest of today)

The image shows a Microsoft 'Update your password' page. At the top is the Microsoft logo. Below it is the email address 'agnt.user200@fabcon25eu.onmicrosoft.com'. The heading 'Update your password' is followed by a message: 'You need to update your password because this is the first time you are signing in, or because your password has expired.' Below the message are three input fields: 'Current password', 'New password', and 'Confirm password'. At the bottom right is a blue 'Sign in' button. A red rectangular box highlights the three input fields and the 'Sign in' button.

This account is officially yours!

4. You should be in the Fabric Landing Page. Let's start by navigating to your workspace. You should have also received a "Workspace Name" as part of your account slip.
Select "Workspaces" in the multi-tasking navigation bar -> Search for your Workspace name -> Open the workspace.

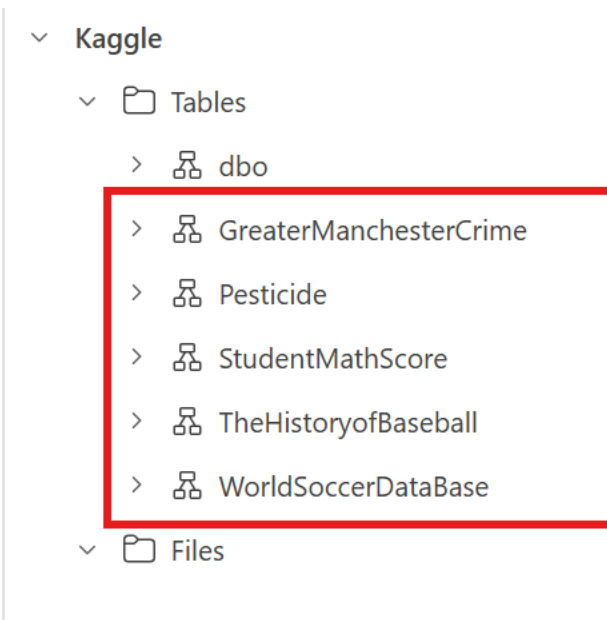

5. Confirm you have a Lakehouse called “Kaggle” then click on it to open the Lakehouse:

	Name	Type	Task	Owner	Refreshed	Next refresh	Endorsement	Sensitivity	Included in app
	Kaggle	Lakehouse	—	Markus Cozowi...	—	—	—	—	
	Kaggle	SQL analytics e...	—	Markus Cozowi...	—	—	—	—	

Note: If you do not, please raise your hand and a proctor will be with you shortly

6. Confirm your Lakehouse has the following Data loaded:

Note: If you do not, please raise your hand and a proctor will be with you shortly

7. Return to your workspace by clicking on your workspace in the multi-tasking navigation bar:

End Of Lab 1

Congratulations! You've finished your first lab!
